AFFILIATES & REGIONS

Destination ImagiNation has a highly devoted set of local Affiliates (states and countries) and organizations that provide the program in all 50 states and 40+ countries. Your membership provides you direct access* and support for local Tournaments, training, workshops and events. You can visit www.IDODI.org for a full list of local DI providers.

HOW IS DESTINATION IMAGINATION FUNDED?

At the local level, DI is funded through Affiliate/Regional fees, Tournament and training fees and in some cases by sponsoring organizations. Internationally, approximately 44% of our funding comes from membership fees and is supplemented by sponsors, other programs/projects and our annual Global Finals event. Expenses at the international level include program, finance and marketing staff that oversee the development, implementation and delivery of the program along with a volunteer force of 35,000+. Additionally, we have basic operational expenses for insurance, legal, governance and building maintenance.

QUESTIONS AND SUPPORT

Your best source of program information is the www.IDODI.org web site. Be sure to check the Quick Links section for updates and news. We also provide the AskDI@dihq.org email service for additional support.

MEMBERSHIP PRICING

The DI membership fees are as low as \$12 per participant. Additional Affiliate, Regional, Tournament and training fees often apply at the local level. *We advise you to check with your local Director on local entry fees, local registration procedures and volunteer expectations.
